ABOUT US

Samantus® Web Training & Services Pvt. Ltd. is trusted Digital Marketing, Data Analytics & Computer Course Training Institute founded in 2012 in Delhi, India. Our goal is to Provide High-Quality Education in Digital Marketing & Computer Courses with real-time projects. We have the expertise, dedication, and passion to provide training in real-time standards to make you ready for a Job, online business, or Entrepreneurship. Our student-friendly experienced trainers will help you learn the subject with enthusiasm and passion.

Trainers

I am Iqbal H., Founder of Samantus Web Training & Services Pvt. Ltd... We pick subject matter professionals with sufficient industry expertise. We always choose professionals who understand how to make their topics interactive and engaging to establish a valuable and memorable learning experience. A proof of the excellence of our course material and teaching is mirrored by the number of professional bodies accrediting a wide array of our courses.

Our Delegates and Clients

We present training solutions to private individuals, multinational organizations, government agencies, and corporate individuals. Our focus is on offering training in a broad spectrum of areas.

Our Vision

We aim to be the most dependable digital marketing training institution in the country by the success of our students. We strive to be known by people for the success of our students.

Our Mission

To conduct grown-up training and innovative workshops in digital marketing and data analytics, where our flexible training allows professionals to learn digital marketing & data analytics techniques and tools better. We want them to acquire the advanced skills needed to boost their business market share, reach the right target audience, establish brand awareness, communicate along with their potential customers, and bring their business to another level.
